Code of Business conduct and Ethics

1. Introduction

CRANE INFRASTRUCTURE LIMITED ('here in after referred to as the "Company"). This Code of Business Conduct and Ethics (the "Code") has been adopted by our Board of Directors and summarizes the standards that must guide our actions. While covering a wide range of business practices and procedures, these standard scan not and do not cover every issue that may arise, or every situation where ethical decisions must be made, but rather set forth key guiding principles that represent the Company's policies. The Company's philosophy on Corporate Governance is built on a rich legacy of fair, transparent and effective governance .Our commitment to the highest level of ethical conduct should be reflected in all of the Company's business activities including, but not limited to, relationships with customers, suppliers, employees, the government and our stakeholders. One of our most valuable assets is the reputation for integrity and fairness. The Code not only ensures compliances with the Company Law, the provisions of the listing agreement with Stock Exchanges and other laws, but goes beyond to ensure exemplary Corporate Governance. Even well intended actions that violate the Code may result in negative consequences for the Company and for the individuals involved. Accordingly, the Board of Directors of the Company has adopted the following code that details the following:

- Guidance on ethical standards of conduct on various smatters including conflict of interest, acceptance of positions of responsibilities, treatment of business opportunities etc.;
